Greetings City Council Candidate:

This questionnaire is from Napa Climate NOW!, an organization of community members concerned about climate change. We educate and advocate on effective actions to stabilize our climate. As a non-partisan group, we do not endorse candidates, but we will share your responses with our mailing list of 200 mainly Napa City residents.

Please return the completed questionnaire to us by August 31. Email the questionnaire to Lynne Baker at LBaker.RNMS@gmail.com.

Candidate Name: Bernie A. Narvaez

1. What overall strategy should the City of Napa take to reduce emissions of Greenhouse Gases (GHG) and Short-Lived Climate Pollutants (SLCP)?
Find ways to encourage building environmentally friendly residential and commercial buildings.
2. Do you favor the municipalities joining with Napa County to enact a county-wide Climate Action Plan? **Protecting our environment should be a joint effort by all cities in our county and Region. I am in favor of tackling our climate issues together.**
3. What specific actions would you promote to reduce emissions in City of Napa operations? **Commercial buildings emissions of CO(2) are growing at a fast rate. We need to look at how we build so we design environmentally friendly structures and reduce the impact on our climate**
4. What specific actions would you promote to reduce emissions by City of Napa residents? **Incentivize builders to build environmentally friendly structures for both commercial and residential uses. We need to address our housing issues, and this provides an opportunity to implement designs that reduce CO(2) emissions.**
5. Additional comments? **As your elected Councilmember, I will seek our local environmental experts for information and guidance in areas where**

I need clarification, education and direction. It is important to engage with each other and work together to protect the environment for the next generations.

Thank you.
